Dear Industry Partner:

On behalf of the Congenital Heart Surgeons' Society (CHSS) let me personally invite you to participate as an industry supporter in the CHSS Annual Meeting being held on October 22-23, 2017 at the Loews O'Hare Chicago, Illinois.

This meeting is one of the most unique events in the congenital cardiac surgical community. It represents an opportunity for industry and physicians involved in the field of congenital heart disease to network in an informal environment, allowing for more physician contact during the program and networking events. It is the single largest gathering of congenital heart surgeons in the United States.

The 2017 Scientific Program Committee is chaired by Harold Burkhart, M.D. Dr. Burkhart and the entire CHSS Council are working diligently to produce a program that will feature cutting edge research and guest speakers that are renowned in the specialty. Industry has the opportunity to take a more visible role and support the meeting beyond their exhibit space with educational grants and /or customized programs that will benefit your company's educational objectives. This is a powerful opportunity for your company to interact directly, and in an intimate setting, with the premier congenital surgeons in the world.

This industry prospectus gives you the necessary information to participate in the CHSS Annual Meeting. Please contact the CHSS office if you have any questions.

I look forward to seeing you in Chicago and thank you for your support of our educational efforts.

Sincerely,

Carl L. Backer, M.D.
