chss.org

Dear Industry Partner:

On behalf of the Congenital Heart Surgeons' Society (CHSS) let me personally invite you to participate as an industry supporter in the CHSS Annual Meetings to be held October 24-25, 2021 at the Loews O'Hare in Chicago, Illinois.

This meeting is the most important event in the congenital cardiac surgical community. It represents an opportunity for industry and physicians to network in a professional setting, allowing for more physician contact during the program and networking events. It is the single largest gathering of congenital heart surgeons in the United States.

Scott Bradley, MD., the 2021 Scientific Program Committee Chair, and the entire CHSS Executive Council are working diligently to produce a program that will feature cutting edge research and guest speakers that are renowned in the specialty. Industry has the opportunity to take a more visible role and support the meeting beyond their exhibit space with educational grants and /or customized programs that will benefit your company's educational objectives. This is a powerful opportunity for your company to interact directly, in an intimate setting, with the premier congenital surgeons in the world.

This industry prospectus gives you the necessary information to participate in the CHSS Annual Meeting. Please contact the CHSS office if you have any questions.

I look forward to seeing you in Chicago and thank you for your support of our educational efforts.

Sincerely,

James Tweddell, MD
President
Congenital Heart Surgeons' Society
